

The opportunity is **FINALLY COMING THIS FALL** to get coached by NJ's top basketball coaches, Coach Frost & Coach Teeigh (no daddy/mommy ball here)! Fusion School of Basketball will be hosting travel teams this winter for boys & girls grades 4-8 (**Competitive 3rd graders welcome!**). The best part is there are **no tryouts** to make our travel teams! We place development **FIRST** and recognize that most athletes we encounter are not being taught proper fundamentals which isn't giving them a fair chance to compete. We believe any athlete is capable as long as they are dedicated to the process and committed to showing up.

Our only requirement for making a winter travel team is that your athlete commit to our program and complete our fall preseason program. Upon completion he/she will be placed on a winter travel team appropriate for their skill level.

Athlete must attend fall clinics on a consistent basis and display attentive behavior in order to complete our fall preseason program. Upon completing the fall preseason program the athlete will automatically be placed on a winter travel team. Coaches have the right to deny any athlete that doesn't meet requirements.

6 month program Oct – March

Fall Preseason clinics 8 weeks 9/26 – 11/21 (skip Halloween)

All clinics in the fall are held at CBI 171 Ridge Rd Rumson
