Please do not send any emails about team assignments unless you see a mistake with your athlete's name or grade as of Sept 24. We will make any and all adjustments to rosters/divisions following the 1st week of games.

This mini baller division will run in a playoffs format since we only have 2 teams. 1 team will represent the east coast while the other team will represent the west coast. These 2 teams will play a best of 7 Game series to determine a champion.
